صالون المجوهرات: خبرة متأصلة

في ظل رؤية المملكة ٢٠٣٠، يحظى معرض صالون المجوهرات بأهمية كبيرة في دعم الاقتصاد المحلي وتعزيز قطاع المجوهرات حيث تتزايد سنوياً الشراكات بين الشركات العالمية والمستثمرين المحليين، كما يلاحظ ارتفاع عدد الاتفاقات على دخول المستثمرين الأجانب إلى السوق المحلي وفقاً للضوابط الجديدة في المملكة، مما يخدم الخطة المستقبلية للمعرض والتي تستهدف تحقيق تنمية مستدامة وتعزيز الابتكار والتطور في قطاع المجوهرات.

وإذا كنا نشعر بارتياح بالغ لما تحقق من نجاح بالنسبة للصناعة ككل، فإننا لا نستطيع أن نبدا بمسؤولية المعرض في الارتقاء بحجم ونوعية المعروضات سنوياً، لكي تتماشى مع تطلعات كافة الأذواق لمعرفة الجديد كل عام.

من هذا المنطلق سننظّل حريصين على استقطاب شركات عالمية جديدة للمشاركة في المعرض، من أجل الاطلاع على أحدث المستجدات في صناعة المجوهرات.

مسّّحين باصرارنا، نكمل طريقنا لنثبت أن معرض صالون المجوهرات أصبح قيمة مضافة لشركاء النجاح على كافة المستويات ونلتزم بتقديم منصة للعارضين لعرض مهاراتهم وإبراز تصاميمهم الفريدة وتوفير فرصة لشركات المجوهرات المشاركة بالمعرض للتواصل مع العملاء وتوسيع قاعدة عملائهم.

نحن نزداد قناعة سنوياً بأهمية المعرض على ضوء تحوّلِهِ إلى منصة رفيعة المستوى لعرض منتجات هذه الصناعة في دولة تتمتع برؤية مستقبلية واعدة.

وفق الله الجميع لما يحبّ ويرضى

PRESTIGIOUS EVENTS AND CANNES FILM FESTIVAL

Vélum Vendôme joins forces with renowned Parisian Names and prestigious events, establishing a network of exclusive partnerships.

In addition to various private events dedicated to its network of partners and exclusive clientele, the Maison has taken the bold decision to participate in the Cannes Film Festival in 2022 and 2023.

2022: Vélum Vendôme dazzled the Red Carpet with its tiara "The Blue Tiara", an Arts Deco creation from the 1920s, daring to fuse arabesques with the Roaring Twenties. The tiara was graciously worn by French-Chinese producer and actress Xin Wang on the red carpet, attracting attention with its exceptional sparkle.

In 2023, the Maison caused a sensation with a pearl sautoir, co-created with the Emperor of the Black Pearl Robert Wan, worn by Her Highness Princess Anh Letizia Napoleon Bonaparte.

In 2024, the Maison will wear its creations to commemorate the 101st birthday of Prince Rainier III of Monaco. These notable participations reinforce Vélum Vendôme's presence in renowned artistic and cultural circles, while highlighting the Maison's exceptional creativity on the international stage. Each event becomes an opportunity to share the timeless elegance and exclusivity that define Vélum Vendôme.

TOWARDS A FUTURE OF ELEGANCE AND EXCLUSIVITY

Beyond exceptional jewellery, Vélum Vendôme continues to chart its course into the future with prestigious events such as the Jewellery Salon in Riyadh. Each creation, synonymous with timeless elegance, becomes an exceptional piece that transcends the mere wearing of jewellery. This Name aspires to become a symbol of the Arab-Parisian art of jewellery-making and the heritage of exclusivity on Place Vendôme. With Souraya Adhari and Marina Cabanel at the helm, Vélum Vendôme is much more than a Maison of Haute Joaillerie; it is a promise of unique artistic experiences, created for those who appreciate exceptional refinement.

AN EXCEPTIONAL DUO OF CREATIVITY

To embody the vision of Vélum Vendôme, Souraya Adhari has chosen Marina Cabanel as artistic director. Marina Cabanel, a renowned jewellery designer, has spent 25 years working with the prestigious Names of Place Vendôme, including Chanel, Laurenz Baumer and others, and now brings her remarkable expertise to the Vélum Vendôme team. Her exceptional expertise contributes to each creation, infusing Vélum Vendôme jewellery with unrivalled elegance.

While her oriental roots permeate her soul, Souraya adds a sensibility for the baroque elegance of her native land, for a Paris brimming with monuments and luxury. Like the shimmering colors of an expressionist painting that divulges inescapable realism, Souraya exhibits a naturalness in chiaroscuro shades ; molding golden charms whose character never fades.

UNIQUE CREATIONS, PERSONAL STORIES

More than just jewellery designed for the catwalk, Souraya and Marina see beauty as their mission, instilling a sentimental value that others might overlook: each piece of Vélum Vendôme jewellery is a unique, made-to-measure piece, the fruit of an in-depth interview exploring each personality to better convey their particular hue.

Beyond their aesthetic appeal, these creations bear a personal imprint, a story engraved in the precious stones. Each detail is meticulously crafted to reflect the personality of the wearer.

Thanks to the expertise of its artistic director, Marina Cabanel, and the French craftsmen who juggle the whims and deadlines, the precious stones take shape to preserve forever memories that are in danger of slipping away: "Our jewellery bears the personal story and character of the customer from the moment it is created. They are not intended for resale; they are works of art that illustrate French excellence and are destined to be handed down within the great families of this world."

Among the exceptional creations is the unique ring created especially for Her Majesty Queen Rania of Jordan, embodying a message of peace and noble values. This unique piece, inspired by the region's traditional embroidery, reflects the artistic geometric shapes paved with diamonds. Offered on her birthday with profound intention, the ring commemorates the memory of Her Majesty's late father and that of her eldest son. A symbolic creation, designed with care and dedication, in tribute to a person known for his benevolence and noble values.

GOLD ENGRAVING AND EMBROIDERY: A SIGNATURE OF LUXURY

Gold Engraving and Embroidery: A Signature of Luxury
The case, designed as an art object in its own right, is made to measure in a Parisian workshop. Each case, with its delicate gold embroidery, becomes a customised case for each customer. The attention to detail, from the initials embroidered in gold thread to the delicate gold business card, underlines the commitment to excellence and the personalised experience.

THE FOUNDER

In the world of High jewellery, where each creation is a testament to exquisite craftsmanship and timeless beauty, Souraya Adhari stands as the driving force behind Velum Vendôme. As founder of this illustrious house, Souraya's journey is one of ambition, dreams and a deep commitment to leaving an indelible mark on the world of luxury.

If today, emeralds and sapphires pave the path to success, the entrepreneur initiates the most ambitious projects by combining impeccable joints with exquisite ornamentation. As founder of this illustrious Maison, Souraya's journey is one of ambition, dreams and a deep commitment to leaving an indelible mark on the world of luxury.

Her message: ***"My ambition is to redefine exclusivity. Its uniqueness is measured by the level of its creativity, where genius breaks through the unknown and reinterprets its rarity."***

Combining timelessness with inventiveness, she wants to engrave her calling in precious stones as well as in the memory of crown bearers.... From the United Kingdom to the Middle East, it traces Vélum Vendôme's path from the Levant to the West.

The Enchanting World of Gemstones

Gemstones have captivated humanity for centuries, not only for their dazzling beauty but also for their association with various metaphysical properties. One such fascination surrounds the belief that certain gemstones bring good luck and fortune. Whether you are an avid gemstone enthusiast or simply curious about enhancing your fortune, join us on a journey through the enchanting world of gemstones associated with good luck.

Sapphires:

Known for their exquisite blue hue, sapphires have long been regarded as symbols of wisdom, truth, and good fortune. Ancient traditions believed that sapphires had an influential role in attracting prosperity and wealth. They were even worn by ancient Roman leaders who thought it would grant them favor from the gods, providing an edge in battle or political endeavors.

Jade:

Recognized for its vibrant green color, Jade is highly revered in many cultures as a stone of good luck and abundance. Chinese culture, in particular, has long associated Jade with bringing good fortune, prosperity, and protection. It is believed that Jade acts as a symbolic shield against negative energy and attracts positive opportunities.

Citrine:

Radiating warm, golden hues, Citrine is often referred to as the «merchant's stone» due to its reputation for attracting financial success and abundance. It is believed to carry the energy of the sun, sparking motivation, creativity, and good luck in business ventures. Citrine is also thought to dispel negative energy, fostering a positive mindset and attracting prosperity.

Amethyst:

A gemstone renowned for its deep purple color, Amethyst possesses qualities often associated with personal growth, spirituality, and good fortune. Ancient Greeks believed that this stone could protect against drunkenness and enhance clarity of the mind. Additionally, Amethyst is said to open doors to new opportunities and beneficial relationships, making it an excellent choice for those seeking good luck.

Garnet:

The deep red hues of Garnet have been associated with good luck and protection for centuries. This gemstone is believed to provide unparalleled strength and courage, allowing its wearer to overcome obstacles and achieve success. Garnet is also deemed as a protective talisman, shielding against negative energies and promoting love, passion, and prosperity.

Turquoise:

Known for its mesmerizing blue-green shades, Turquoise has long been valued as a powerful talisman for luck, abundance, and wellbeing. Native Americans considered it a sacred stone, believing it to bring good fortune, protection, and prosperity in both personal and professional endeavors. Turquoise is thought to enhance communication skills, attract success, and foster positive relationships.

While the notion of gemstones bringing good luck may vary across cultures and belief systems, the enchantment they hold is undeniable. Sapphires, Jade, Citrine, Amethyst, Garnet, and Turquoise represent just a fraction of the gemstones associated with good fortune. Whether you choose to wear these gemstones as jewelry or keep them close as talismans, their intricate beauty and alleged metaphysical properties make them a fascinating avenue to explore for those seeking a touch of luck in their lives.

عالم الأحجار الكريمة الساحر

لقد أسرت الأحجار الكريمة البشرية لعدة قرون، ليس فقط لجمالها المبهر ولكن أيضًا لارتباطها بخصائص ميتافيزيقية مختلفة. أحد هذه الانبهارات يحيط بالاعتقاد بأن بعض الأحجار الكريمة تجلب الحظ السعيد والثروة. سواء كنت من عشاق الأحجار الكريمة أو ببساطة مهتمًا بتعزيز ثروتك، انضم إلينا في رحلة عبر عالم الأحجار الكريمة الساحر المرتبط بالخط السعيد.

الزفير:

يُعرف الياقوت باللون الأزرق الرائع، ويُنظر إليه منذ فترة طويلة على أنه رمز للحكمة والحقيقة والخط السعيد. اعتقدت التقاليد القديمة أن للياقوت دورًا مؤثرًا في جذب الرخاء والثروة. حتى أن القادة الرومان القدماء كانوا يرتدونها لاعتقادهم أنها ستمنحهم خدمة من الآلهة، مما يوفر لهم ميزة في المعركة أو المساعي السياسية.

اليشم:

يشتهر اليشم بلونه الأخضر النابض بالحياة، وهو يحظى بتقدير كبير في العديد من الثقافات باعتباره حجرًا للحظ السعيد والوفرة. لقد ربطت الثقافة الصينية، على وجه الخصوص، اليشم منذ فترة طويلة بجلب الحظ السعيد والازدهار والحماية. ويعتقد أن اليشم يعمل كدرع رمزي ضد الطاقة السلبية ويجذب الفرص الإيجابية.

السترين:

غالبًا ما يُشار إلى السترين، الذي يشع بألوان ذهبية دافئة، باسم «حجر التاجر» نظرًا لسمعته في جذب النجاح المالي والوفرة. يُعتقد أنه يحمل طاقة الشمس، مما يثير التحفيز والإبداع والحظ السعيد في المشاريع التجارية. يُعتقد أيضًا أن السترين يبذل الطاقة السلبية، ويعزز العقلية الإيجابية ويجذب الرخاء.

الجمشت:

حجر كريم يشتهر بلونه الأرجواني العميق، ويمتلك الجمشت صفات غالبًا ما ترتبط بالنمو الشخصي والروحانية والحظ السعيد. اعتقد اليونانيون القدماء أن هذا الحجر يمكن أن يحمي من السكر ويعزز صفاء العقل. بالإضافة إلى ذلك، يقال إن الجمشت يفتح الأبواب أمام فرص جديدة وعلاقات مفيدة، مما يجعله خيارًا ممتازًا لأولئك الذين يبحثون عن الحظ السعيد.

العقيق:

ارتبطت الألوان الحمراء والبيضاء العميقة للعقيق بالحظ السعيد والحماية لعدة قرون. ويعتقد أن هذا الحجر الكريم يوفر قوة وشجاعة لا مثيل لهما، مما يسمح لمرتديه بالتغلب على العقبات وتحقيق النجاح. يعتبر العقيق أيضًا بمثابة تعويذة وقائية، حيث يحمي من الطاقات السلبية ويعزز الحب والعاطفة والازدهار.

الفيروز:

يشتهر اللون الفيروزي بظلاله الخضراء المزرقة الساحرة، وقد تم تقديره منذ فترة طويلة باعتباره تعويذة قوية للحظ والوفرة والرفاهية. اعتبره الأمريكيون الأصليون حجرًا مقدسًا، معتقدين أنه يجلب الحظ الجيد والحماية والازدهار في كل من المساعي الشخصية والمهنية. يُعتقد أن اللون الفيروزي يعزز مهارات الاتصال ويجذب النجاح ويعزز العلاقات الإيجابية.

في حين أن فكرة الأحجار الكريمة التي تجلب الحظ السعيد قد تختلف باختلاف الثقافات وأنظمة المعتقدات، إلا أن السحر الذي تحمله لا يمكن إنكاره. لا يمثل الياقوت واليشم والسترين والجمشت والعقيق والفيروز سوى جزء بسيط من الأحجار الكريمة المرتبطة بالحظ السعيد. سواء اخترت ارتداء هذه الأحجار الكريمة كمجوهرات أو إبقائها قريبة كتعويذات، فإن جمالها المعقد وخصائصها الميتافيزيقية المزعومة يجعلها وسيلة رائعة للاستكشاف لأولئك الذين يبحثون عن لمسة من الحظ في حياتهم.

A close-up photograph of a jeweler's hands working on a ring. The hands are positioned in the center, with the left hand holding the ring and the right hand using a small tool to work on it. The background is a blurred workshop with various tools and materials. The text "مراحل تصميم المجوهرات" is overlaid in the center in a large, bold, gold-colored font.

مراحل تصميم المجوهرات

تصميم المجوهرات هو عملية متعددة المراحل تتطلب الإبداع والمهارة. قد تختلف المراحل التي يمر بها تصميم المجوهرات بين المصممين والشركات المصنعة، ولكن في العموم، يمكن تلخيص المراحل الأساسية على النحو التالي:

١. الإبداع والتصور: تبدأ عملية تصميم المجوهرات بتطوير فكرة وتصور للمجوهرات المراد تصميمها. يمكن أن تستلهم هذه الأفكار من مصادر مختلفة، مثل الطبيعة أو الفن أو التاريخ.

٢. البحث وجمع المواد: يتم جمع المواد المستخدمة في صنع المجوهرات، مثل الأحجار الكريمة والمعادن الثمينة والنحاس والفضة. يتطلب ذلك اختيار المواد المناسبة التي تتناسب مع تصميم المجوهرات.

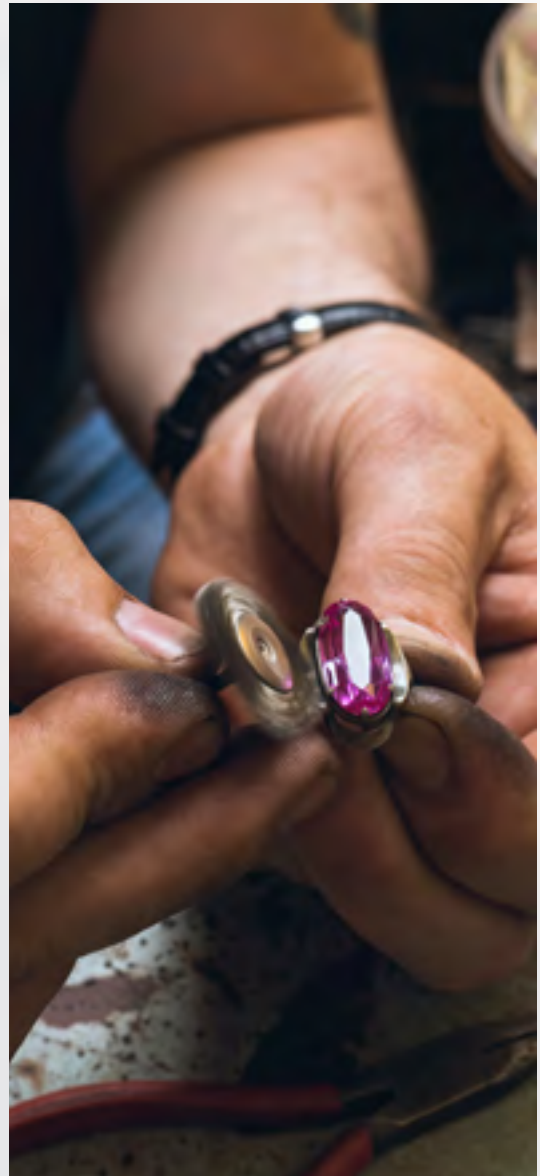

٣. رسم التصميم: يتم رسم التصميم المطلوب باستخدام القلم والورق أو باستخدام الحواسيب وبرامج التصميم المساعدة. يتم الانتقال من الرسم الأولي إلى رسومات مفصلة توضح جميع تفاصيل التصميم.

٤. تحويل التصميم إلى نموذج ثلاثي الأبعاد: باستخدام التكنولوجيا الحديثة، يمكن تحويل التصميم إلى نموذج ثلاثي الأبعاد باستخدام الحواسيب وبرامج التصميم ثلاثية الأبعاد. يساعد هذا النموذج في تقديم نظرة واقعية لكيف ستبدو المجوهرات النهائية.

٥. صناعة المجوهرات: بعد تأكيد التصميم

الثلاثي الأبعاد، يتم بدء عملية صناعة المجوهرات بالاستعانة بالحرفيين الماهرين. تشمل هذه العملية القطع واللحام والتلميع والألماسة والتنسيق.

٦. الانتهاء والتشطيب
